SOMAGIC, barbecues to grill as you wish and provide you with a wide variety of cooking options

It is in Saône-et-Loire, in the heart of Burgundy, where SOMAGIC has worked for over thirty five years to create an incredible culinary experience for you. The French leader in charcoal grills, SOMAGIC designs and manufactures barbecues and griddles. We are driven by a spirit of conviviality that is reflected in each of our creations. With a sleek, innovative, aesthetic and functional design all our models are very easy to use and guarantee perfect results. To enliven your taste buds, impress your guests and reveal your hidden talents as a cook, **try SOMAGIC.**

The SOMAGIC solution:

- **cultivates a taste for the authentic by grilling using charcoal**

The charcoal barbecue will delight your taste buds by revealing all the nuances and delicacy of meat grilled over high heat, flavourful and lovingly prepared.

- **it will introduce you to the culinary art of grilling "à la plancha"**

The gas griddle will inspire you to cook meals both savoury and sweet, full of colour and exotic flavours.

- **you will have the luxury of using a grill that is functional, aesthetic and practical every day**

The kitchen will become part of the garden, pulling out all the stops to bring "everything within reach" so you can take joy in developing your grilling skills outside while enjoying your garden.

SOMAGIC provides you with all its know-how to offer you a wide range of sophisticated barbecues and griddles and guarantees delicious grilled meals outdoors while varying the pleasures of cooking on a grill, on a griddle, in an oven or over a spit.
